Someone to actually make a _____ in my generation

I _____ to see us in a world without _____

Basically, I just want the _____ to end

I would like the _____ of the world to think highly of our _____ country.

I think the thing that _____ me most about Barack Obama is that he really is
going to be the president of the United States - you know, he's not going to be the
president of the top 10%, or the president of the most _____

corporations, or the president of the most powerful lobbyists. He's gonna to be OUR
president, he is going to speak for _____, 'cause WE put him there.

That's what Obama is about - Unity to this country, and changing America's _____ to
the world.

Obama represents « el cambio ». He represents « Esperanza ».

He speaks my language.

This is _____ America, _____ America, _____ America.

And he stands for not just _____ people, but _____ people; and he is almost like
a revivalist for a lot of people's souls.

I _____ in Barack Obama, because he believes in _____.

_____ are the ones we've been waiting for.

Obama is about what you do every day. This is your chance to be heard.

We can change the world.

_____ are the ones _____ 've been waiting for.

_____ are the ones _____ 've been waiting for.

We can change the world.
